

WINDOW RESTRICTOR & JULIET BALCONY DISCLAIMER

By signing this form, I confirm that:

- I have requested that the window restrictors in my room be removed.
- I understand that without restrictors, my windows will open fully, and while Juliet balconies are fitted for safety, I must use them responsibly.
- I will not climb, sit, lean, or stand on the Juliet balcony or window ledge, and I will not place, hang, or throw anything from the window.
- I accept that the accommodation provider (LUNA Students) is not responsible or liable for any injury, loss, or claim that results from me (or my guests) misusing the windows or balconies.
- If at any point I would like restrictors re-installed or locked off again, I can request this and the LUNA team will arrange it.
